

## ABOUT 2 CIRCLES COMMUNICATIONS LIMITED

### Brief history

2 Circles Communications are business communications specialists who provide a full range of **voice, data, and mobile services**. Our aim is to take care of your communications whilst you get on with running your business – we provide dedicated account management to save you time and money.

2 Circles Communications has a unique partnership with Opal Telecom, the business to business division of the Carphone Warehouse Group plc.

2 Circles has been working with Opal Telecom and the Carphone Warehouse Group for the last 5 years. In this time we have invested in, and built, the second largest telecommunications network in the UK. This exclusive partnership allows us to provide a full range of voice, data and mobile services specifically designed for the business community.

"We will take care of you and your communications whilst you get on with running your business."

Working in partnership with the Carphone Warehouse Group strengthens our position as one of the largest and most progressive communications providers in the country. We are experts in delivering a simple solution to a complex service.

Our dedication to service combined with our group buying power allows our customers to enjoy a cost efficient service and an unparalleled positive customer experience.
